Introduction

We Janubaimata Manpower & Jobwork Services for supply of all types of Labour to all type of Industries & Govt. Agencies. Our organization is professionally managed & successfully working in this service sector from last 6 years. we have developed an approach & attitude to provide the best service system in all aspects.

Labour Contracts

We are engaged in Outsourcing Contract Labour for different Clients. Our clients can rely on us completely as we outsource labours only after thorough analysis of their skills and their ability to work. We maintain strict records such as ESIC, PF, Professional Tax and Service Tax records of all labours. We allocate PF and ESIC numbers to all our employees. Also we maintain attendance muster and payroll of all the employees.

We take full responsibility of submitting ESIC, PF, PT and Service Tax challans and other regulatory activities. We also arrange for labour licenses.

Our outsourcing services can be availed at competitive prices The industrial Labour Contracts are available for engineering services, Pharmaceuticals services and Logistics. It includes both skilled and unskilled force. We have qualified candidates for your selection in the field whatever you are in need, like Engineers, Diploma Holders, I.T.I. Holders in Mechanical, Electrical, Computer, Electronics, Commerce/Science Graduates, Helpers for different works etc. We also supply daily wages manpower and laboures as per requirement on contract basis. Our trained supervisors are capable of delivering all types of requirements on a day to day basis.

House Keeping Services

Imagine never having to look for another housekeeping company again, no more broken promises, no more wasted time, chasing cleaners to do what they have agreed to do in the first place, therefore hiring the right contractor can make all the difference in your office, home or any other place.

Consider Total Care Services as your logical alternative. Total Care Services offers wide range of cleaning services to fit everyone needs. All work are done by our trained, experienced and professional staff using the latest equipments and quality material to ensure that all tasks are carried out to the highest standards on time.
