- ▶ **5x** **BETTER WARMTH & COMFORT**
than other cotton/nylon material aids
- ▶ **10x** **BETTER STRETCH & AESTHETICS**
than other cotton/nylon material aids

ABOUT BAMBOO YARN MATERIAL

Bamboo yarn is a regenerated cellulosic fibre produced from naturally occurring bamboo. Repeated technological analysis has proved that this kind of fibre made of 100% bamboo pulp has a strong durability, stability and tenacity. It is characterized by its good absorption capacity, excellent permeability, soft feel, easiness to straighten and flex.

than other cotton/nylon material aids

Presenting our range of Bamboo Yarn Products

Bamboo Yarn Knee Support
Product Code: **K12**
Sizes Available: S,M,L,XL
MRP: Rs. 325/-

Bamboo Yarn Ankle Support
Product Code: **A12**
Sizes Available: S,M,L,XL
MRP: Rs. 325/-

Bamboo Yarn Elbow Support
Product Code: **E12**
Sizes Available: S,M,L,XL
MRP: Rs. 325/-

Better moisture absorption

Microfibre aided ventilation

Advanced elasticity

Naturally antibacterial

Anti-ultraviolet Bamboo fibre

Made with high grade Bamboo Yarn material, our Knee, Ankle and Elbow Supports offer the best in class orthopaedic healing. Proven to be highly durable, easy to use and effective these products ensure optimal compression and customizable fit for all the affected areas.
